ABOUT GCS

GCS Property Group is an Australian owned and operated strata cleaning and gardening maintenance company that services Sydney wide. We have years of expertise in our field of work and are one of the leading Sydney companies in our industry.

Our team strive off the quality of their work and we pride ourselves on completing each project to high quality. GCS Property group is reliable, always on time, professional and affordable. We use state of the art cleaning equipment that gives the best results.

STRATA CLEANING

Whether you're in need of residential or commercial strata cleaning, our team of qualified strata cleaners will provide the most efficient and reliable cleaning service. We will ensure your building is left sparkling, hygienic and germ free.

GARDENING MAINTENANCE

Our gardening maintenance service ensures your residential or commercial building's landscaping is well maintained and left looking beautiful at all times. From trimming hedges, to cutting grass and pruning trees, our team does it all ensuring your outdoor garden is a masterpiece.
